

# Repetitive word groups in the KJV Bible

## Bill Wanschura 1992

---

### NOTES

1. From the King James Version text.
2. All words were changed to lower case.
3. Punctuation and numbers were ignored.
4. Apostrophes were eliminated, as in Gen 8:16  
and thy sons, and thy sons' wives  
This is a Double triple since the apostrophe is ignored.
5. The ends of sentences were ignored, so matches may span two sentences.
6. Double word is the same word twice in a row, as in 1 Sam 3:10  
"Samuel, Samuel"
7. Triple word is the same word three times in a row, as in Isa 6:3  
"Holy, holy, holy"  
Note that this also shows up as two Double words  
"Holy, holy, holy" and "Holy, holy, holy"
8. Double pair is the same pair of words twice in a row, as in Rev 18:2  
"is fallen, is fallen"
9. Double Triple is the same three words twice in a row, as in Isa 28:13  
"line upon line, line upon line"
10. There are no Triple Pairs or Triple Triples
